SPEAKER & THOUGHT LEADERSHIP

Visionary strategic business leader with **20+ years** of experience building, scaling, and running **omnichannel consumer businesses** — operations, sales, customer service, e-commerce, supply chain, and organisational change for B2B & B2C. Proven track record driving revenue growth (**€30M–€150M+**), leading **240+ person** teams, and delivering large-scale digital transformation across luxury, fashion, sporting goods and FMCG.

Bold vision-setter who executes with disciplined agility — known for building inclusive, high-performing teams, challenging the status quo, and turning complex challenges into opportunities. **I create the future and I make things happen.**

WORK EXPERIENCE

Lifestyle · Luxury · Fashion · Sporting Goods · FMCG · Consulting

Director — European E-Commerce Sales & Operations, Client Relations Center, Anti-Fraud & Payment, Business Development, DTC
2019 – 2025

Richemont Luxury Group · Amsterdam

12 luxury Maisons · 26 European countries · P&L €150M · Reporting to EU CEO and Global CDO

- Led a **240+ FTE team** managing end-to-end e-commerce operations, digital sales, anti-fraud, and client relations for 12 luxury brands across 26 European countries.
- Held **P&L responsibility for a €150M e-commerce business**, driving revenue growth of 30%–250% per year by identifying and scaling digital levers.
- **Transformed Client Relations Centre** from a cost centre into a revenue-generating e-boutique — a commercial channel driving direct sales.
- Directed **digital strategy**, omnichannel sales, CRM (Salesforce), and logistics collaboration across 3 distribution centres and 3rd party vendors.
- Established **reporting & analytics team**; built omni-channel analytics cockpit for operational and executive stakeholders.
- Executed **100+ projects** — people, technology and process improvement. Influenced all levels of matrix organisation up to Executive level.
- Increased employee satisfaction, improved retention, built best-in-class organisation.
- **Key KPIs:** sales, cost-to-sales ratio, ROI, conversion, NPS, OSAT, SLA, operational performance, fraud & loss rates.

Director — Digital Partner Commerce & Sales
2018

adidas · Amsterdam

- Developed **Digital Partners Commerce strategy**, processes and operational execution framework.
- Built vision of the **integrated marketplace** across own distribution channels, retailers, pure players and partners.

Director — Omni-Channel Models Development & Supply Chain
2016 – 2018

adidas · Amsterdam

Part of the EU Supply Chain Management leadership team

- Drove the adidas **EU omni-channel vision and strategy**.
- Designed EU network of stock points to enable **stock optimisation and client satisfaction**; supported Omni-channel OMS implementation.
- Responsible for omni-channel programmes serving all brands across retail, e-commerce and wholesale.

Omni-Channel Retail Business Development Manager — Wholesale
2012 – 2016

Nike · Hilversum

- The Delivery Conference — London, 1,500 participants (2017)
- Podcast — *"Service is the most ignored sales driver in Retail"*, Omni-channel Strategies (2026)

CERTIFICATES

- Global Customer Experience & CRM — COPC
- Project Management — CADENCE (Nike)
- Cross-Cultural Communication — Hofstede
- Business Negotiations & Conflict Mgt — University of Amsterdam

- Drove e-commerce and omni-channel **business development** with strategic key accounts.
- Led the **digital transformation of the largest European Sporting Goods retailer** (Intersport) — omni-channel strategy, digital tools, in-store technology, content creation.
- Defined digital assortment and marketing calendars; leveraged social media and cross-channel loyalty to drive **double-digit revenue growth**.

Senior Project Manager — DTC & B2B

2010 – 2012

Nike · Hilversum

- Led strategic, cross-functional and technology projects for Nike DTC, Sales and Operations — delivered on budget, on schedule and to targeted performance.
- **Change Management:** ensured successful transition and adoption across the organisation.
- Key projects: SAP Retail implementation, London Olympics Fuelband launch, retail localisation Greece & Turkey, Gift Card UK, Always Available concept roll-out.

Senior Supply Chain Consultant

2006 – 2010

IBM · Benelux

- Delivered **supply chain process design**, MRP and demand planning for Numico, Avebe, SGV Group and Stiho.
- **Change Manager** on CRM implementation for InBev; PMO and process transformation expert on SAP APO implementations for the Dutch Ministry of Transport.
